

At Clark Nursing and Rehabilitation Center, we've created an environment that is truly home-like, in which we provide around-the-clock skilled nursing care that promotes residents' entire well-being. We are committed to providing optimum care in a setting that promotes dignity and respect for all residents. At Clark, you're getting the best of both worlds: all the amenities associated with a state-of-the-art facility and all the advantages of an experienced health care management team with a track record for excellence in nursing and rehabilitative care.

We deeply believe that good health begins with caring. Competent, compassionate, affordable care.

That's our commitment, and it always will be.
